

Why is this an issue? We pay for this service and therefore should not be denied a function of a service we pay for ... Why is the Weather Channel able to broadcast on DirectTV or Dish Network? XM Radio is simply another medium of getting information, no different than cable, satellite tv or the Internet. Should all of these outlets be restricted as well? Of course not, that would take money out of the pockets of the same lobbyist trying to seek 04-160. I urge lawmakers and the FCC to reject the NAB's petition.
